Opis

A fast and effective way to neutralize unpleasant odours and to aromatize rooms. The special applicator guarantees a 3 m range, making the product perfect for large rooms such as sports halls, hotels, conference rooms, shops, corridors, toilets. The essential oils rich fragrance compositions guarantee an intense and natural fragrance, increasing the comfort of people staying in the refreshed room. The product does not contain heavy metals and ozone-depleting freons.

Directions: Shake well before use. Press the trigger for 1 second. Due to risk of staining please refrain from spraying on walls, wardrobes, upholstered furniture- neither directly nor from a short distance. Repeat as needed.

Fragrance compositions rich in essential oils guarantee an intense and natural scent, increasing the comfort

of people staying in a refreshed room.

PURE COTTON - a delicate and calm combination of cotton with sweet orange oil makes the scent not suffocating but soothing.

ADVANTAGES:

- large capacity 600ml,
- a strong 3 meter stream,
- 2 in 1 neutralizer and air freshener
- highly concentrated scents thanks to the essential oils contained in them,
- does not contain heavy metals and freons that damage the ozone layer.
